

DEAR SIR OR MADAM,

Ever more passengers of Ljubljanski potniški promet (LPP) are following the trends of intermodal travel in larger cities. Different forms of travel include riding on a bus and simultaneously using a folding bicycle.

INSTRUCTIONS FOR HANDLING FOLDING BICYCLES ON LPP BUSES

ON ALL CITY BUSES

You can take a folding bicycle with you on all city lines. Over 90% of our fleet of 215 state-of-the-art vehicles are low-floor buses that enable you to get on and off easily and quickly, which you can do either through the front or middle door.

WHEN CAN YOU TRAVEL AND WHAT IS THE PERMISSIBLE SIZE OF A FOLDING BICYCLE

You can travel with a folding bicycle on working days between 9 a.m. and 1 p.m., and after 6 p.m., and without limit on holidays and weekends. Outside these hours, in exceptional cases the driver may assess whether a passenger with a folding bicycle may get on the bus or not. A folding bicycle may not exceed the size of personal baggage (110 cm x 70 cm x 30 cm) defined in the General Transport Terms and Conditions of LPP and may not be heavier than 15 kg.

"PARKING AREA" FOR A FOLDING BICYCLE

In order not to disturb other passengers, as soon as passenger with a folded bicycle in an appropriate cover or bag enters the bus, the passenger must put it on the floor in the area reserved for prams or on the floor next to the passenger's seat or place it where passenger is standing, and fix the bicycle to a vertical pole by homologated fixing strap.

If a passenger does not put protective equipment on the folding bicycle, the passengers is liable for any damage according to the general regulations on liability for damages.

Passengers, passengers on wheelchairs and parents with prams have priority over passengers with folding bicycles.

ALSO RESPECT THE FOLLOWING INSTRUCTIONS

- A maximum of two passengers with folding bicycles may travel at the same time if there are no physically handicapped persons on the bus.
- If a pram and a folding bicycle are already on the bus, another passenger with a folding bicycle cannot get on.
- One passenger may only take a single folding bicycle on the bus.
- Except for the bicycle, the passenger may not simultaneously have an animal or additional personal baggage (except a backpack).

What to bear in mind when travelling with a folding bicycle and how to handle it on a bus are also described in the General Transport Terms and conditions on our website: www.lpp.si.

We wish you a pleasant ride!

The LPP team
