SHEMA DNEVNIH LINIJ

MESTNI JAVNI LINIJSKI PREVOZ IN INTEGRIRANE POTNIŠKE LINIJE

LPP - najboljši način potovanja po Ljubljani

Shema dnevnih linij prikazuje potek vseh mestnih in integriranih linij, ki jih izvaja podjetje LPP. V primeru prehoda med območji velja druga cena vozovnice. Uporaba kartice Urbana, mobilne aplikacije Urbana ali Turistične kartice Ljubljane omogoča brezplačno prestopanje v roku 90 minut od začetka prve vožnje. Vožnja se lahko plača tudi s plačilno kartico (Visa, Master Card). Za podroben vozni red posameznih linij obiščite spletno stran. Za osebe z oviranostmi je na voljo prevoz na klic: 01 58 22 555. Več informacij: www.lpp.si.

LPP MAP OF DAILY BUS LINES

CITY PUBLIC TRANSPORT AND INTEGRATED LINES

LPP – the best way to travel around Ljubljana

The daily line plan shows all city bus lines and integrated lines operated by LPP. In case of transition between zones, a different ticket price applies. Using the Urbana card, the Urbana mobile app or the Ljubljana Tourist Card allows you to change buses free of charge within 90 minutes of the start of your first journey. Payment can also be made by credit card (Visa, Master Card). For persons with disabilities, transport is available on request by calling +386 1 582 2555. For more information, visit www.lpp.si

NAČRTUJTE POTOVANJE Z LPP

Informacije o točnih prihodih avtobusov LPP so na voljo na povezavi »Načrtovanje z Google Zemljevidi« na www.lpp.si in v aplikaciji Urbana za telefone z operacijskima sistemoma Android 6.0 ali novejšim in iOS 13.0 ali novejšim.

SPLOŠNE INFORMACIJE

Splošni prevozni pogoji, podrobni vozni redi, informacije o cenah ter o načinih plačil in vrstah vozovnic so na voljo na www.lpp.si in v Potniškem centru LPP. Vstop in izstop iz avtobusa sta dovoljena le na označenih postajališčih. Vstop je dovoljen pri prvih in drugih vratih, izstop pa na drugih, tretjih ali četrtih vratih. Na postajališčih izven Ljubljanske obvoznice voznik ni dolžan ustaviti, če na avtobusu ni potnikov za izstop in na postajališču ni potnikov za vstop. Pred izstopom se je treba postaviti k izstopnim vratom. V vozilih, ki imajo ob vratih tipko za izstop, se vrata odprejo s pritiskom na tipko. Ob vsakem vstopu na avtobus se je treba validirati. S tem se hkrati izvede plačilo vožnje. Vožnjo je mogoče plačati s kartico Urbana ali mobilno aplikacijo Urbana ter s plačilnimi karticami Visa in MasterCard. Veljaven prevozni izkaz so tudi vozovnice za mestni promet, naložene na kartico IJPP.

OBRATOVALNI ČAS AVTOBUSOV

Avtobusi na mestnih in integriranih linijah ob delavnikih in sobotah večinoma obratujejo med 5.00 in 22.30. Izjema so nočne linije, ki začnejo z obratovanjem med 4.00 in 5.00 zjutraj ter ponovno med 22.30 in polnočjo.

Ob nedeljah in praznikih se začetek obratovanja zamakne za eno uro - večina linij tako začne voziti okoli 6.00.

Več na www.lpp.si/javni-prevoz/vozni-redi.

NAČINI PLAČILA

Na mestnih avtobusih v Ljubljani uporabljamo elektronski plačilni sistem. Storitev potovanja lahko plačujemo z brezstično pametno kartico Urbana z veljavno vozovnico ali dobroimetjem.

Vrednostna kartica Urbana je rumene barve, brez imena in priimka ter je prenosna. Nanjo je mogoče naložiti dobroimetje v vrednosti od 0,05 do 50,00 EUR in / ali prenosno mesečno ali prenosno letno vozovnico.

Terminska kartica Urbana je zelene ali rumene barve (kartico rumene barve izdaja Mestna knjižnica Ljubljana), izdana je na ime in priimek ter ni prenosna. Nanjo je mogoče naložiti izbrano mesečno, letno ali prenosno letno vozovnico in dobroimetje.

Poleg kartice Urbana je v uporabi tudi aplikacija IJPP za integriran javni potniški promet, ki jo uporabljajo dijaki in študentje, upravičeni do subvencioniranih vozovnic. Aplikacijo IJPP je mogoče naložiti na kartico IJPP ali kartico Urbana. Na kartico IJPP ni mogoče naložiti dobroimetja, na kartico Urbana pa dobroimetje lahko naložimo.

Plačilo z Urbano je mogoče na vseh linijah LPP. Z validacijo Urbane ob vstopu na avtobus potnik plača potovanje, ki vključuje prevoz od točke A do točke B. Validacija Urbane je potrebna ob vsakem vstopu na avtobus, tudi ob prestopanju. Znotraj 90 minut od prve validacije je prestopanje brezplačno, in sicer v vseh smereh in znotraj območij, ki jih je potnik izbral.

Območje, v katerem se potovanje začne, je vedno prvo območje, sledita drugo in tretje - meje so določene na shemi linij z rdečo cezuro. Ob nakupu terminske Urbane vedno kupite ustrezno območno vozovnico za eno, dve ali tri območja.

Če imamo vrednostno vozovnico, je treba število območij pravilno določiti na validatorju pred validacijo, razen če potujete samo v enem območju. Pri plačilu prevoza na medkrajevnem avtobusu je treba pred prislonitvijo kartice na validator vozniku avtobusa povedati izstopno postajo.

Uporabniki storitev enotne mestne kartice Urbana si lahko na svoje pametne telefone s sistemom Android ali iOS namestite mobilno aplikacijo Urbana, ki služi kot virtualna kartica. Pri storitvah mestnega potniškega prometa vam aplikacija ponuja vse, kar omogoča fizična imenska kartica Urbana. Z njo lahko plačate vožnjo z avtobusom LPP (uporabnik mora imeti vklopljen Bluetooth, mobilne podatke in samodejno iskanje lokacije mobitela), tudi za več potnikov in območij hkrati, ter brezplačno prestopate v roku 90 minut. Račun Urbana aplikacije lahko polnite s plačilnimi karticami MasterCard in Visa, z mobilno denarnico Valú in Aircash na vseh prodajnih mestih, razen na urbanomatih. Prav tako lahko v aplikaciji spremljate stanje na računu in zgodovino validacij, si ogledate urnik prihodov avtobusov, načrtujete pot po mestu in dostopate do potovalnih informacij.

Voznino je možno plačati tudi s plačilnima karticama Visa ali MasterCard. Plačilo s plačilnimi karticami ne omogoča prestopanja brez dodatnega plačila voznine.

Posebnosti: Z dobroimetjem na kartici, v mobilni aplikaciji ali s plačilno kartico je mogoče plačati vožnjo eni ali več osebam hkrati. Pri plačilu s kartico Urbana ali plačilno kartico je treba to sporočiti vozniku pred validacijo Urbane. V aplikaciji Urbana pa lahko potnik sam izbere število oseb. Če imamo terminsko vozovnico, ki velja denimo samo za eno območje, želimo pa potovati v dveh ali treh območjih, plačamo prevoz v drugo ali tretje območje v celoti z dobroimetjem na vozovnici.

VRSTE VOZOVNIC

Vrednostno vozovnico uporabimo za plačilo enkratnega prevoza ene ali več oseb hkrati, in sicer z dobroimetjem na kartici Urbana. Omenjeni prevoz vključuje brezplačno prestopanje v roku 90 minut.

Terminska vozovnica omogoča neomejeno število voženj na vseh linijah od 1. dne v tekočem mesecu do 1. delovnega ali 5. dne v naslednjem mesecu, odvisno od vrste terminske vozovnice.

O načinu pridobitve šolskih vozovnic si lahko več preberete na naši spletni strani.

Vozovnica Slovenija za upokojence omogoča potniku s statusom upokojenca neomejeno število potovanj na vseh linijah LPP. Pridobi jo lahko vsak upokojenec, vojni veteran ali imetnik Evropske kartice ugodnosti za invalide, ter osebe starejše od 65 let, ki niso v delovnem razmerju (na podlagi veljavnega osebnega dokumenta).

Mesečna vozovnica s popustom za brezposelne omogoča neomejeno število potovanj brezposelni osebi na linijah LPP znotraj skupine postajališč MOL. Potnik pridobi omenjeno vozovnico tako, da uveljavi svoj status na podlagi osebnega dokumenta in potrdila Zavoda RS za zaposlovanje o vpisu v evidenco brezposelnih oseb, ki ne sme biti starejše od 30 dni.

Prenosne terminske vozovnice veljajo za neomejeno število voženj na vseh linijah v izbranih območjih, pridobi pa jih lahko vsaka pravna ali fizična oseba.

Veljavnost vozovnic

Mesečne: splošne in nesubvencionirane šolske vozovnice veljajo od 1. dne v tekočem do 5. dne v naslednjem mesecu. Subvencionirane dijaške in študentske vozovnice veljajo od 1. dne v tekočem mesecu do 1. delovnega dne v naslednjem mesecu.

Letne: imenske in prenosne vozovnice veljajo eno leto od dneva nakupa.

NADZOR

Nadzor plačila voznine (kontrolorji in vozniki) ter nadzor veljavnosti vozovnic (kontrolorji in mestni inšpektorji) se izvajata ob vstopu v vozilo oziroma med vožnjo vozila. Potnik mora na zahtevo kontrolnega organa pokazati veljavno vozovnico in se v primeru neprenosljive vozovnice na zahtevo kontrolorja ali mestnega inšpektorja izkazati z lastnim dokumentom s sliko. Ob nadzoru mora potnik na zahtevo zapustiti vozilo, če nima kartice, če se ni validiral in s tem ni plačal vožnje ali če ima neveljavno kartico. Potniku se odvzame kartica Urbana, če se ni validiral in s tem ni plačal vožnje ali če ima neveljavno kartico ali neveljavno vozovnico na kartici. Mestni inšpektor lahko ob kršitvi izreče globo v višini 40 EUR, enak znesek se plača za ponovno izdajo odvzete kartice.

V primeru plačila voznine z aplikacijo Urbana, kontrolor preveri, če je vozovnica validirana preko QR kode, ki je vidna na sliki kartice Urbane znotraj menija.

PREVOZ NA KLIC

Na določenih linijah se izvaja storitev prevoz na klic, ki je potnikom na voljo po objavljenem voznem redu. Potniki lahko vstopajo in izstopajo na avtobusnih postajališčih, vendar morajo storitev naročiti vsaj dve uri pred načrtovanim odhodom po voznem redu. Ob naročilu storitve na telefonsko številko 01 58 22 555 morajo potniki prometniku LPP sporočiti število potnikov, termin potovanja ter vstopno in izstopno postajo. Cena storitve prevoza na klic je enaka kot velja za mestni javni linijski prevoz potnikov. Plačilo za potovanje je možno s terminsko in vrednostno kartico Urbana ter mobilno aplikacijo Urbana.

PREVOZ OTROK

Otroci do šestega leta starosti in organizirane skupine vrtčevskih otrok uporabljajo javni mestni prevoz brezplačno, brez predhodno izdane vozovnice. Predložiti je treba le osebni dokument (tudi ob kontroli kartice). Otrok, ki potuje z LPP, mora biti v spremstvu polnoletne osebe ali mladoletne osebe, starejše od deset let, če to dovolijo starši, posvojitelji ali skrbniki otroka. Prevoz otroškega vozička je brezplačen.

PREVOZ ŽIVALI IN PRTLJAGE

Prevoz psov (razen službenih in psov vodičev) je v mestnem prometu dovoljen izven prometnih konic in pod pogojem, da je pes čist, zdrav, na vrvici, ima nagobčnik ter ima dokazilo o cepljenju proti steklini.

Prevoz drugih malih živali je v mestnem prometu dovoljen le v kletkah ali na drug primeren način, ki ne moti in ne ovira preostalih potnikov, ob izpolnjevanju higiensko-sanitarnih predpisov.

Prevoz navedenih živali je brezplačen.

Prevoz osebne prtljage in invalidskih vozičkov je brezplačen. Prevoz večjih kosov prtljage, ki bi ovirali druge potnike, ni dovoljen.

BUSBONTON

Na avtobusih sta prepovedana kajenje ter uživanje hrane in pijače. Voznik, kontrolor, mestni redar in mestni inšpektor lahko prepovedo vstop oziroma zahtevajo, da potnik zapusti vozilo, če s svojim obnašanjem ogroža javni red in mir, kaže vidne znake opitosti ali omamljenosti oziroma povzroča škodo drugim potnikom ali opremi avtobusa.

Na avtobus ni dovoljeno prinesti vnetljivih, eksplozivnih, strupenih ali kako drugače nevarnih snovi, orožja in drugih zakonsko prepovedanih predmetov. V skladu z busbontonom potnike naprošamo, da z voznikom med vožnjo ne govorijo, odstopijo sedež starejšim, upoštevajo potrebe ljudi s posebnimi potrebami, se po avtobusu ne vozijo z rolko, kotalkami ali rolerji in primerno skrbijo za lastnino LPP.

Z ZLOŽLJIVIM KOLESOM NA AVTOBUS

Kolo pred vstopom na avtobus zavarujte s primerno torbo in vstopite na avtobus pri sprednjih ali srednjih vratih. Z zložljivim kolesom lahko potujete izven koničnega časa na vseh mestnih avtobusih: ob delavnikih med 9. in 13. uro in od 18. ure; ob praznikih in vikendih neomejeno.

Zložljivo kolo ne sme presegati velikosti osebne prtljage (110 cm x 70 cm x 30 cm), določene s Splošnimi prevoznimi pogoji LPP, in ne sme biti težje od 15 kg. Zložljivo kolo odložite na tla, v prostor, ki je rezerviran za otroške vozičke, in ga pripnite na vertikalni oprijemalni drog.

Če potnik na zložljivo kolo ne namesti zaščite, odgovarja za škodo po splošnih pravilih o odškodninski odgovornosti. Če potujete z zložljivim kolesom, lahko s seboj nosite le še nahrbtnik. Prednost pred potniki z zložljivimi kolesi imajo preostali potniki, potniki na invalidskih vozičkih ter potniki z otroškimi vozički.

EN

PLAN YOUR JOURNEY WITH LPP

Information about LPP bus arrivals is available at www.lpp.si/en, where you can also plan your route with Google maps. This information can also be found on the Urbana app for smartphones - with Android 6.0 or higher and iOS 13.0 or higher opearting systems.

GENERAL INFORMATION

Terms of use, schedules, fares, payment methods and types of tickets are available on www.lpp.si and at LPP Passenger Centre. Entering and exiting the bus is permitted only at designated stops. Entering the bus is allowed through the first and second doors, and exiting the bus through the second, third or fourth doors. At bus stops located outside the Ljubljana ring road, the driver is not required to stop the bus if there are no passengers in the bus wishing to exit and no passengers at the bus stop wishing to enter. Before exiting, passengers must move towards the exit door. On vehicles equipped with an exit button next to the door, the door opens when the button is pressed.

OPERATING HOURS AND BUS SCHEDULE INFORMATION

On weekdays and Saturdays, buses on urban and integrated routes generally operate between 5:00 and 22:30. Night routes are an exception, with services starting between 4:00 and 5:00 in the morning and again between 22:30 and midnight in the evening.

On Sundays and holidays, bus services generally begin operating approximately one hour later, typically from around 6:00.

For more information, visit www.lpp.si/javni-prevoz/vozni-redi.

MODES OF PAYMENT

All fares on Ljubljana city buses are paid electronically. They can be paid by a contactless Urbana smartcard, a valid travel pass or a stored-value on Urbana card.

The stored-value Urbana card is yellow, not associated with a name and thus transferrable. It can be loaded with credit ranging from EUR 0.05 to 50.00 and / or a transferrable monthly or annual pass.

The time-based Urbana card is green or yellow (the yellow card is issued by the Mestna Knjižnica Ljubljana library), issued in the name of the holder, and non-transferrable. It can be loaded with your selected monthly, yearly or transferrable annual pass and credit.

In addition to the Urbana card, the IJPP integrated public transport app is used by students entitled to subsidised travel. The IJPP app can be linked with an IJPP card or an Urbana card. An IJPP card cannot be loaded with credit, but credit can be added to an Urbana card.

All LPP buses will accept an Urbana card as a mode of payment. Validating your Urbana upon getting on a bus, you will pay the fare from Point A to Point B. You must validate your Urbana at the beginning of each ride on a bus, including when you change buses. Changes of bus to all destinations inside the zones selected by the passenger are free of charge within 90 minutes from the initial validation, i.e. when the first bus ride begins.

The zone where a journey begins is always the first zone, followed by the second and third zones - the zone limits are separated by red lines on the route map. Always purchase the correct zone pass for one, two or three zones when buying an Urbana card.

You can buy and load your Urbana card at any place with the red Urbana logo. A list of retailers can also be found on our website.

Before holding your card against the validating machine on a regional coach to pay your fare, you must inform the driver of your final destination.

Users of the Urbana Single City Card can install the Urbana mobile app on their Android or iOS smartphones, which shall serve as a virtual card. For urban passenger transport services, the app offers everything that the physical Urbana card. You can pay for your LPP bus ride, also for several passengers and areas at the same time, and transfer for free within 90 minutes. You can top up your Urbana app account with MasterCard and Visa cards, with the Valú or Aircash smart wallet and other sales points, excluding the green Urbana machines and kiosks. You can also use the app to monitor your account balance and validation history, view bus arrival schedule, plan your route around the city and access travel information.

Payment with credit cards does not allow free transfers to other buses within 90 minutes.

Note: you can pay fare for one or more passengers using the credit on your Urbana card, in the Urbana mobile app, or with a payment card. If paying with the Urbana card or a payment card, you must inform the driver of the number of passengers before validating. In the Urbana mobile app, the passenger can select the number of people directly.

If you have a time-based pass for only one zone but wish to travel across two or three zones, you must pay the full fare for second or third zones using the credit on your card. If you are using stored-value pass, you must specify the number of zones before validating the card, unless you are travelling within a single zone.

TYPES OF PASSES

A stored-value pass can be used to pay one-way fares for one or more passengers from the credit on your Urbana card. These fares include free bus changes within 90 minutes after your journey starts.

A time-based pass provides an unlimited number of rides on all routes from the first day of the current month to the first workday, or fifth day, of the next month, depending on the type of time-based pass.

A pensioner's Slovenia pass enables passenger with pensioner status to enjoy an unlimited number of rides on all LPP lines.

The pass can be obtained by pensioners upon presenting their ZPIZ (Pension and Disability Insurance) retirement certificate and a valid ID card. It is also available to war veterans, holders of European disability card, and person over 65 years of age who are not employed (based upon their ID).

A monthly pass with an unemployment allowance provides an unemployed person with an unlimited number of LPP bus rides within the City of Ljubljana bus stop chain. A passenger can acquire this pass by verifying their status based on their ID card and a Republic of Slovenia Employment Office proof of entry in the unemployment register that is not older than 30 days.

A transferrable time-based pass provides an unlimited number of rides on all routes in the selected zones, and it can be acquired by any legal entity or private individual.

Duration of passes

Monthly: general and non-subsidised school travel passes are valid from the first day of the current month until the fifth day of the next month.

Subsidised secondary school and student passes, as well as general IJPP monthly passes, are valid from the first day of the current month until the first working day of the following month.

Yearly: named and transferable passes are valid for one year from the date of purchase.

SURVEILLANCE

Fare payment control (by control officers and drivers) and ticket validity control (by controlor officers and city inspectors) are carried out when the passenger enters the vehicle or during the ride. At the request of the inspection authority, the passenger must present a valid ticket. In the case of a non-transferable ticket, the passenger must also present a personal identification document with a photo.

A passenger's Urbana card may be taken away if they did not validate the card and did not pay for the ride, or if they have an invalid Urbana card or ticket. The city inspector may impose a fine of 40 EUR in the event of a breach of these rules, and the same amount will be paid for a reissued Urbana or a withdrawn Urbana which is then returned to the passenger.

When paying the fare using the Urbana mobile app, the inspector checks whether the ticket has been validated by scanning the QR code displayed on the image of the Urbana card within the app menu.

CALL-ON-DEMAND

On certain routes, a transport-on-demand service is available to passengers according to the published timetable. Passengers can board and disembark at bus stops, but the service must be booked at least two hours before the scheduled departure. To book the service, passengers must call + 386 1 582 2555 and provide the LPP dispatcher with the number of passengers, travel time, as well as the boarding and disembarking stops. The fare for the transport-on-demand service is the same as the standard fare for the city public bus service. Payment can be made using the Urbana card or the Urbana mobile app.

CHILDREN

Children up to the age of 6 years travel free of charge. Children's Urbana cards are available at the LPP Information Centre. Children up to the age of 6 years old must travel with adults (aged over 18) or be accompanied by an older child (aged over 10) with the consent of their parents, legal guardians or foster parents.

There is no charge for transport of prams and strollers.

ANIMALS AND LUGGAGE

Dogs are allowed on city buses except during rush hours. Dogs must be clean, healthy and on a leash. They must wear a muzzle and have a valid vaccination certificate. Other small animals can only travel in cages and in a manner that doesn't disturb or endanger other passengers. There is no fare for animal transport. There is no additional charge for personal luggage. Larger pieces of luggage that could present an obstruction for other passengers are not allowed on the bus.

BUSBONTON

Smoking, eating and drinking are not allowed on the bus. Drivers, control officers and city inspectors can deny entry and ask a passenger to leave the bus if the passenger's behaviour represents a danger to law and order, if the passenger is visibly drunk or intoxicated, or is causing damage to other passengers or the vehicle's equipment.

Highly flammable, explosive, toxic or other hazardous materials, firearms and other objects forbidden by law may not be brought onto the buses. In accordance with BUSBONTON we ask the passengers not to disturb the driver during the ride, to move towards the back exit door, to give up their seat to the elderly, to consider people with special needs, not to use their roller-skates, skateboards or similar items while on the bus, and to take appropriate care of LPP property.

WITH A FOLDING BIKE ON A BUS

You may enter the city bus with a folding bike either through the front or middle doors.

You can travel with a folding bike on working days on all city bus lines between 9 a.m. and 1 p.m. and after 6 p.m., as well as without limits on holidays and weekends.

A folding bike may not exceed the size of personal baggage (110 cm x 70 cm x 30 cm) defined in the General Transport Terms and Conditions of LPP, and may not be heavier than 15 kg. Put the bike on the floor in the area reserved for prams and fix it to a vertical pole by means of a corresponding fixing strap. If a passenger does not put protective equipment on their folding bike, they are liable for any damage according to the general regulations on liability for damage. If you travel with a folding bike, you should carry only one backpack with you.

Passengers, on wheelchairs and parents with prams have priority over passengers with folding bikes.
